

Type WP-GC18 Forklift Goods Cage

The type WP-GC18 Forklift Goods Cage has been designed as a storage and transport Cage suitable for furniture and whitegoods. A hinged ramp is standard allowing furniture trolleys access into the Cage. Locking the ramp in the vertical position and attaching the 2 safety chains across the front secures goods inside the Cage. This cage is manufactured strictly in accordance with Australian Standard AS 2359.1. The standard finish on the cage is painted enamel.

*** The type WP-GC18 Forklift Goods Cage is NOT designed or certified to convey personnel.

(safety chains not shown)
